

<b>Sector-Based Ad Hoc Committees for FY 10-11</b>	
<b>From CWP's 2010-11 Integrated Budget and Business Plan</b>	
<b>Allied Health-Ad Hoc 1</b>	<b>Advanced Manufacturing-Ad Hoc 2</b>
CWP's <b>Allied Health sector</b> mission is to support building a skilled workforce in hospitals, community-based care, and facility-based care while addressing the front-line workforce challenges of skill development, retention, and advancement.	CWP's <b>Advanced Manufacturing sector</b> mission is to provide skill enhancements and career development opportunities which develop the skills employers need.
<b>Strategies</b>	
<ol style="list-style-type: none"> <li>1. Build upon best practices in CWP's CNA Advancement initiative to address evolving needs in the healthcare workforce and design career pathways according to employer demands.</li> <li>2. Support youth-based healthcare academies.</li> <li>3. Balance focus between institutional, e.g., long-term care facilities and community-based care to be aligned with state objectives (Money Follows the Person initiative).</li> <li>4. Develop response to electronic medical records mandate.</li> </ol>	<ol style="list-style-type: none"> <li>1. Strengthen the region's talent pipeline in advanced manufacturing.</li> <li>2. Connect job seekers more directly with employers unable to fill jobs in advanced manufacturing.</li> <li>3. Increase employees' manufacturing skills to meet the needs of employers to contribute to bottom-line growth.</li> </ol>
