

CT STEM JOBS

Connecticut's Science, Technology, Engineering and Math (STEM) Career Center

SUPPORTING THE DEVELOPMENT OF YOUR FUTURE WORKFORCE

Connecticut's high-tech employers need a skilled workforce ready to meet the demands of the 21st century global economy. CT STEM Jobs prepares youth and adults for new careers in advanced manufacturing, engineering, information technology, alternative and renewable energy, and other fields related to science, technology, engineering and math (STEM).

ctstemjobs.org

CT STEM Jobs gives employers opportunities to:

- Provide career mentoring to aspiring STEM career candidates who are your future workforce
- Shape STEM education and training offerings by sharing the STEM skills you look for in employees
 - Develop customized training packages for your applicants or employees
 - Receive information about STEM-related workforce, industry, and training developments
